MONASTIR, EVACUATED**

London, Dec. 3.—Occupation of Monastir by an Austro-German force at 3 o'clock yesterday afternoon is reported by Reuter's correspondent at Saloniki.

The correspondent, who says his information was received in a telegram from Florina, Greece, adds that the only flag hoisted when the city was occupied was the Austrian. The Bulgarians did not enter Monastir, remaining at Kenali, south of the city. It is reported, however, that they will march into Monastir today.

**UNKNOWN MAN HANGS
SELF IN PUBLIC PARK**

Hartford, Dec. 3.—The body of a man about 45 years of age was found by John Gaghan, caretaker, of Riverside Park, in a clump of bushes near the river today. It was a case of suicide by strangulation, a cord running from the neck to a small sapling and the body resting partly on the ground. Hands, arms, cheeks and neck had been eaten by rats with which the river front is infested, and the body presented a horrible sight.

It was taken to the morgue to await identification.
